

COMPETITIVE TEAM MEET WITHDRAWAL FORM

Per our rules and policies, written notification of your child's inability to compete in any scheduled competition must be submitted in writing as soon as such conflict is known.

In some cases, we may be able to obtain a refund of previously entered meets. In most, however, we will not be able to do so.

Entry into meets is done two months or more months in advance of the actual meet date. Each host club sets their deadline for refunds. It is not our decision to make. Therefore, if we know in advance not to enter your child into a meet, we can avoid the refund issue entirely. If you notify us after entries have been sent in, then we will do the best we can to obtain your refund, but no guarantees can be given.

Please use this form if your child is currently injured and you know he/she will not be attending a meet and submit asap.
